REQUEST FOR ZONING CERTIFICATION

Dear Citizen/Customer:

The following items are required for zoning certification on properties located within Unincorporated Fulton County Government only:

1. A letter of request to the Department of Planning and Community Services, Attn: Dana Gray, c/o Fulton County, 5440 Fulton Industrial Boulevard, Atlanta, Georgia 30336.
2. A written legal description of the subject property.
3. A survey or site plan.
4. A processing fee of \$40.00 is assessed for each request. (Note: on checks, please provide the full address in lieu of P. O. Box#, telephone number, and have the signatory's name printed above the signature. Make check payable to Fulton County.)

The letter should specifically state the address/parcel identification number for referencing.

Our turnaround time is 3 to 5 business days. Your request will be forwarded by first class mail. We may be reached at 404-612-7832 if you have any questions.

The Fulton County Attorney's office has advised the Department to limit all requests for zoning certification to the certification of the zoning district only. Further information regarding the zoning can be obtained from the Fulton County Zoning Resolution or by reviewing the official zoning case file(s) as a matter of public record.
